Kandil Egypt

Kandil Egypt is the leading decorative lighting manufacturer in Egypt with more than 800 workers and 3 main factories for different lighting lines. The company was established in 1976 as a producer for gold plated Chandeliers, later metal furniture line was added. Now our product line include cast bronze modern & classic plated tubes, murano, maria-teresa and fer-forge chandeliers. Today we produce many lighting lines including classic modern and antic styles for houses and projects. Our products are distributed within Egypt, MENA , Europe and Latin America.

تأسست شركة قنديل مصر فى عام 1976 لإنتاج الثريات (النجف) المطلى بالذهب الخالص عيار 24 قيراط. ويُعد قنديل مصر أكبر مُصنَّع لوحدات الإضاءة من ثريات (نجف) وأباجورات و أباليك فى مصر. وحالياً يتضمن خط منتجاتنا الثريات (النجف) النحاس السبك, المودرن والكلاسيك. كما توزع منتجاتنا اليوم بجانب مصر لأغلب الدول العربية , شمال افريقيا ,اوروبا و أمريكا اللاتينية.

◦ LE BRONZE ◦

Bronze

Le Bronze is a branded division of the Kandil Egypt group.

It specializes in casted brass and aluminum chandeliers, decorative products including wall brackets, table lamps, clocks, floor stands, mirrors and household accessories.

We export our products to different markets including US, Arabic countries, Far east and Europe.

Based in cairo Le Bronze is unique in the field with its CAD (computer Aided Design) capabilities to introduce new ideas and products from scratch with the help of the latest technological hardware including 3d printing and CNC machines, in addition to traditional handcrafted shapes.

Our design capabilities making us the market leader in this field with unique products lines all adapted to satisfy our customers making lighting units a glowing piece of art inside the living environment Le bronze has the most advanced processes in casting in its plant in cairo, this include investment casting, High pressure Die Casting and gravity casting, in addition to traditional sand casting. All our products are handmade with the experience of our highly skilled team working to deliver beauty and quality. The metallic alloys we use in our products makes it a valuable piece of art with the help of chemical varnish to maintain its color print for generations withstanding different conditions.

All our products are equipped with an Arditi (Italian made) lamp holder and all the electrical components used are up to European standard, the mechanical components are up to the standard for safety and durability to meet the highest requirements worldwide.

Whitery

It suits the taste of many people who have a passion for white color. It adds a special touch for home decoration, which inspires the authenticity of classic design and white color modernity with brush strokes in golden, turquoise and rose colors.

يناسب النجف الوايتى ذوق الكثيرين من مُحبي اللون الأبيض،
ويضيف لمسة خاصة على الديكور المنزلى توحى بأصالة
التصميم الكلاسيكى وعصرية اللون الأبيض فى نفس الوقت
مع إضافة تأثير يُشبه ضربات الفرشاة باللون الذهبى
والترکواز والروز.
